Al Qaeda said the deadly attack on the US consulate in Benghazi Libya was in revenge for the killing of the network's number two Sheikh Abu Yahya al-Libi, SITE Intelligence Group reported Saturday. "The killing of Sheikh Abu Yahya only increased the enthusiasm and determination of the sons of (Libyan independence hero) Omar al-Mokhtar to take revenge upon those who attack our Prophet." Al-Qaeda in the Arabian Peninsula said in a statement, guoted by the US-based monitoring group. Al-Qaeda's Yemen-based offshoot did not claim direct responsibility for Tuesday's attack on the US consulate in Benghazi that killed the US ambassador to Libya, Christopher Stevens, and three other Americans. But it stressed that "the uprising of our people in Libya, Egypt and Yemen against America and its embassies is a sign to notify the United States that its war is not directed against groups and organisations ... but against the Islamic nation that has rebelled against injustice." The statement comes four days after Al-Qaeda chief Ayman al-Zawahiri issued a video eulogising Libi, his late deputy and propaganda chief who was killed in a drone strike in June. Mohammed al-Megaryef, the head of Libya's national assembly, said on Saturday that the attack on the US consulate in Benghazi was planned and "meticulously executed." Tuesday's attack by armed men in the eastern city of Benghazi came amid a wave of protests in the Muslim world against a US-made amateur Internet film deemed insulting to the Prophet Mohammed. Suspected Islamic militants fired on the consulate with rocket-propelled grenades and set it ablaze on the anniversary of the September 11, 2001 terror attacks on the United States claimed by Al-Qaeda. Sensitive documents have gone missing from the consulate in Benghazi and the supposedly secret location of the "safe house" in the city, where the staff had retreated, came under sustained mortar attack. Other such refuges across the country are no longer deemed "safe". Some of the missing papers from the consulate are said to list names of Libyans who are working with Americans, putting them potentially at risk from extremist groups, while some of the other documents are said to relate to oil contracts. According to senior diplomatic sources, the US State Department had credible information 48 hours before mobs charged the consulate in Benghazi, and the embassy in Cairo, that American missions may be targeted, but no warnings were given for diplomats to go on high alert and "lockdown", under which movement is severely restricted. Mr Stevens had been on a visit to Germany, Austria and Sweden and had just returned to Libya when the Benghazi trip took place with the US embassy's security staff deciding that the trip could be undertaken safely. Eight Americans, some from the military, were wounded in the attack which claimed the lives of Mr Stevens, Sean Smith, an information officer, and two US Marines. All staff from Benghazi have now been moved to the capital, Tripoli, and those whose work is deemed to be nonessential may be flown out of Libva. In the meantime a Marine Corps FAST Anti-Terrorism Reaction Team has already arrived in the country from a base in Spain and other personnel are believed to be on the way. Additional units have been put on standby to move to other states where their presence may be needed in the outbreak of anti-American fury triggered by publicity about a film which demeaned the Prophet Mohamed Collapse this post

"Jamhooria Islamia", a monthly Baluchi magazine published from Panj-gar, published an interview with Maulana Nawabzadaa Nabiullah Khan, a confidant of and adviser to the Amir of leading Pakistani Islamic party, Jamaat-e-Islami, Maulana Qazi Ahmed, which was conducted by Jalil Amir. The following constitutes are excerpts from that conversation which reveals the fundamentalist ideology and designs of the organisation and its leader.

EQUALITY OF MEN AND WOMEN IS STUPIDITY

Q: The women issue

is very controversial nowadays. Taliban and some fundamentalist organizations restrict the freedom of women while some progressive Muslim intellectuals are insisting that the women are equal to men in all spheres. What are Qazi's views

on women?

A: As I said earlier, the
Prophet Mohammad's (PBUH) views on women are the exact views of Qazi
Ahmed and the Jamat. Equality of men and women is stupidity. What men can
do, women cannot do. Women are weak physically and mentally compared to
men. Men have to take care of women all the time.

WOMEN MUST
STAY HOMF

Women should not have a life outside the family. Education can be provided to them, but not to compete with men in public.

NO VOTING RIGHTS FOR WOMEN UNDER SHARIA

Qazi had said once that when JI comes to power in Pakistan, he will abolish the voting rights of women and minorities. Only the Muslim men can participate in voting or standing for elections. When I asked the proof from Hadiths, he had quoted many Hadiths in support of that. I asked him why is it that it is never talked about openly in the public by the Jamaat? Qazi had said that the hints are all over the place. But JI did not make it a big issue since the women who currently have the voting rights may vote against JI in the elections if such a thing is said openly. NON MUSLIMS IN MUSLIM COUNTRIES MUST PAY JIZYA

Q: That brings us to the question of minorities. Will they have to pay Jizya tax?

A: Yes. They have to pay the tax. As explained by Qazi Ahmed , the idea of Jizya is not protection money. But it is a monetary force on the non-Muslim to convert to Islam. Once the Jamaat comes to power, the minorities will be induced (forced) to become Muslims either by monetary or psychological factors.

ALL INDIAN HINDUS WILL BE CONVERTED INTO ISLAM JI is already equating India with Hindus so that the Hindus of Pakistan will be forced to become Muslims. This was a very successful strategy during the Babri Masjid riots. Jl was actively involved in destroying the Hindu temples in Puniab and Sindh. We ordered the destruction of the Hindu family property too. But our main aim was to destroy the Hindu temples. We wrote in the JI pamphlets that destroying each pagan temple makes a Muslim move closer to the heaven of Allah. We used the Hadiths in all the pamphlets. Babar destroyed the Ram temple in Ayodhya because he was a true believer. The same way, every Muslim should take it upon himself to destroy the Hindu temples in Pakistan. O! ur idea was to encourage the Muslims of India also to destroy the Hindu temples in India. But this was not met with much success since the Hindu police in India started attacking the Muslims who were doing Allah's duty. Q: What kind of government does JI envisage for Pakistan? A: It will be the Sharia government. Sharia will be made our constitution so that the eminent Muslim scholars who had completed the schooling in Madrasas will be appointed as the Judges in every court. Qazi wanted to make the presidium on the same model as the Khalifa. Presently our idea is that the entire top leadership of JI as well as all three military Generals will be part of the presidium for which the Qazi will be the Khalifa. OUR MOTTO IS CONSTANT JIHAD

Our motto is "Constant Jihad". The idea is to keep Pakistan in a constant state of Jihad all the time. Qazi's vision is that Pakistan will be! the centre of the new Islamic Empire that stretches from Burma to Afghanistan and from Srilanka to Tajikistan including Kashmir

Towards that end, the Jamaat will use all tactics from terrorism in the kafir-controlled areas to negotiations in the Muslim controlled areas. Already the Jamaat leaders of Bangladesh and Jamaat leaders of India have accepted the primacy of Pakistani leadership in this regard.

LANKA AND BURMA WILL BE PRESSURIZED TO CONVERT TO ISLAM Q: What about Srilanka and Burma? A: Both are Buddhist nations. For that matter even Baluchistan and Afghanistan were Buddhist once while Sindh and Punjab were Hindu earlier. Buddhists are generally weaker in matters of faith. Hence we hope they will become Muslim with a little pressure. But that will happen only after Jamaat conquers first Pakistan and then India. Q: What are the plans for India? It looks like the entire India policy of the Jamaat revolves around Kashmir. A: Yes that is true. But that is for a very good reason. See Kashmir is like a keystone that sits on top of the arch. It is true that the arch holds the entire weight of the keystone. But if you remove the keystone, then the whole arch falls down. That is why it is called the keystone. Kashmir is the keystone for India. Once you remove that, then India can no longer be secular and it will not be a united country either. Once Kashmir is taken out, these militancy movements will break India by asking the similar freedom for Nagaland, Kerala, Mizoram, Meghalaya, Manipur, Assam, Jharkand, Tamil Nadu, West Bengal and Khalistan.

INDIA WILL BE MADE A 100% MUSLIM NATION Q: Coming back to the same point, if India was to become many countries, how do you deal with the individual Hindu States? They may even become big enemies of Pakistan. Or they may again re-group to challenge Pakistan. A: Given the differences between the nationalities in India, the options for Pakistan are endless. Qazi's vision is to make the entire India a 100% Muslim Nation. A United India, where Hindus are majority is an impediment to that. Like Prophet Mohammad (PBUH) made Muslims out of pagans of Arabia, Qazi also wants to make Muslims out of the pagans of India. Q: This is a great vision since this was not even possible for the Muslim dynasties and Moguls who ruled India for the last 700 years. A: True. That is because they had never really established the Muslim Empire. Though the Kings were Muslims, they had entertained the Hindus in positions of

power. When you make an unequivocal statement that only Muslims are voters and declare that India is an Islamic Republic, then automatically the people will become Muslims. Little bit of terror had to be applied to the heart of Hindus and Christians. I will give you a best example. The portions which now constitute Pakistan had 25% Hindu population before Independence.

TERRORIZATION IS THE BEST CONVERSION TOOL After Independence, a lot of Hindus migrated to India. Yet after the migration, the Pakistani Hindu population was 15%. Do you know what is the percentage now? It is less than 1%. How was this made possible? How did the Hindus convert to Islam in a short span of 20 years whereas for 700 years they had never converted to Islam? That is purely because of the terror of the Partition. TERROR FORCED HINDUS TO CONVERT TO ISLAM IN PAKISTAN That terror forced the Hindus who remained in Pakistan to become Muslims. Pure and simple. Jl used similar techniques in Punjab and Sindh. Each time a riot breaks out in India, we had used that pretext to strike terror among the Hindus, Christians and Ahmaddiahs. The similar terror will be at the heart of every non-Muslim, both Hindu as well as Christian, in the coming years in the entire of India

PRPOHET SUCCEEDED WITH

TERROR SO CAN WE

Qazi is an

analytical genius who knows every strategy that was used by Prophet Mohammad (PBUH) and which will be and should be used in India to achieve the total submission to Allah.

Q: Do you envision a possibility that when Kashmir becomes part of Pakistan, there could be large-scale riots in India against Indian Muslims? Hence unwittingly Kashmir could lead to more deaths of Indian Muslims and damage ANY MUSLIM ASSOCIATING WITH A Islamic Ummah. POLYTHEIST BECOMES A POLYTHEIST A: Yes that is a possibility. But our ideology is based on Quran and Hadiths. Prophet Mohammad (PBUH) in numerous Hadiths and Allah in Quran had said that any Muslim who associates with a polytheist is a polytheist. Muslims cannot be friendly with a non-Muslim. This includes the Christians, Jews and Hindus. Also Mohammad (PBUH) says that even if the Muslim ruler is not good, the Muslims stay with the ruler rather than go out to a non-Muslim country. Hadiths and Quran are very explicit regarding this. All the Muslims who did not migrate to Pakistan during Partition are in essence Hindus. They may think that they are Muslims. But not before Allah. They are as self-deluded as the Ahmaddiahs who think they are Muslims when everyone knows that they are not Muslims. Hence the Muslims of India who had decided to stay in India during Partition are not Muslims and their progeny are not Muslim (since they did not migrate to Muslim lands). Another thing that I noticed in my journeys in India is that the Hindu farmers generally offer their entire harvest to their gods at the end of their harvesting season. This makes the entire crop as haram for Muslims. Yet these so-called Muslims of India are forced to eat this food which was already offered to some other God other than Allah. This is explicitly forbidden in Quran. MUSLIMS GOING TO NON MUSLIM COUNTRIES TO SETTLE DOWN ARE KAFIRS And this is one of the serious problems of living in non-Muslim countries. Prophet Mohammad (PBUH) knew such things; that is why he ordered Muslims not to live in non-Muslim areas. Yet knowingly these so-called Muslims live in India. AGAIN ALL THE MUSLIMS WHO MIGRATE TO OTHER NON MUSLIM COUNTRIES AND US ARE NON MUSLIMS . Only the Muslims who intend to come back are Muslims not the ones who decide to stay in such countries. Hence we do not care if such Indian Muslims die in the riots. But due to strategy reasons we do have excellent relations with these Muslims. All the Muslims who work for Pakistan and for the glory of Ummah are real Muslims. They are our front line troops in non-Muslim countries. Hence we have to distribute the arms and ammunitions to these real Muslims in case riots come to their door. Kashmiri Muslims are pure Muslims who are toiling under the yoke of Hindu rule. They are victimized by the international conspiracy to keep them under the Hindu rule. That issue is part of the incomplete Partition, whereas the Indian WILL BRING SLAVERY BACK TO PAKISTAN Arabians own slaves. Though Allah says that the slaves should be treated in a nice manner, he did not advocate the abolition of slavery. If slavery is bad as considered in today's world, Allah certainly would have said that slavery is wrong. Prophet Mohammad (PBUH) also said that the slaves should be treated in a good manner and the slaves should be released often. But if there is no slavery, how can anyone release slaves? Hence the re-introduction of slavery in Pakistan is one of the future plans of the Jamaat. ALL CAPTURED HINDUS WILL BE MADE SLAVES All the captured Hindu Indians and Srilankans will be made slaves to work for Pakistani Muslims. Every God-abiding Pakistani Muslim will get slaves once we conquer India. All the slaves who embrace Islam will be set free. Slavery is Islamic. Jamaat is the only political party, which does not voice any opposition to the slavery in Pakistan. We went around all over Arabia. We were surprised to know that there are some Hindus in Yemen. These ancient Yemeni Hindus are not Indians. In my opinion, these Hindus are traders from India in the ancient times. I was also surprised to know that they have a Shiva temple in Yemen. Qazi was very unhappy over this. When he talked to the Yemen leaders, he broached this subject. But the Yemeni leaders refused Qazi's

suggestion of forced conversion of these people to Islam. I don't know why they refused. I think it may be due to the large population of Hindus from India who work in Yemen and Arabia. He disliked the current leadership of Arabia for this In his opinion. Arabia should not allow any non-Muslim into the holy lands of Arabia. Arabia should be 100% pure. A large number of Hindus in Arabia is corrupting the Arabians. Though they live as contractors, they have the potential to corrupt the minds of the Arabians. HINDU TEMPLES POLLUTE MUSLIM LANDS One such thing is the presence of Arabians in the Qatar Hindu temple. First the king allowed the Hindus to build a temple and church in the holy lands, thereby polluting the Holy Land. Second is that even a member of the Royal family visited that temple to inaugurate that temple. To the horror of Qazi, he had learnt that one of the powerful members of the Qatar Royal family is a devotee of a god called Aayappan. This news resolved Qazi to fight the force of the devil thousand fold. Q: Such things happen in Pakistan today. I mean a friend of mine goes to a Hindu temple. Another friend goes to church meetings. A: Yes. One of Qazi's relatives wanted to become a Hindu. He did not have a child for many years and it seems he had prayed to a Hindu God and got the child. Hence he felt thankful to that god and wanted to become a Hindu. Qazi got to know of this and called him and threatened him with dire consequences. That relative did not become a Hindu. But that incident made Qazi read more about apostasy. PUNISHMENT FOR APOSTASY IS DEATH Quran and Hadith clearly say the punishment for abandonment of Islam is death. Since Sharia is not the law in Pakistan, and the current Pakistani Constitution grants the right to change religion, it is legally correct to declare oneself as Hindu or Christian. But once the JI takes over the government, it will make Sharia as the Constitution. Then Pakistan will also legally execute any person who leaves Islam and joins Ahmaddiah, Christianity or Hinduism the same way Iran and Taliban treats its apostates. He also opined that the presence of the Hindu temples in Pakistan is the root cause of the problem and hence we want to destroy all the Hindu temples and Churches in Pakistan. Q: This brings us into another area. Right now the Internet is becoming widespread. Even Saudi Arabia is connected with the outside world. Destroving the temples may be good, but how can we insulate the Pakistani and Muslim people against the corrupting knowledge totally? A: JI had taken a principled stand on the matter of science and religion. Religion is far superior to science. THE WORLD?S KNOWLEDGE IS IN QURAN AND HADITHS Whatever man needs to know is in the Quran and Hadiths. Knowing more will create problems like the Atom bomb and Television. MUSIC TV AND PHOTOGRAPHY ARE SATANIC AND HARAM Quran and Hadiths are explicit in denouncing pictures. Yet the lure of Satan in the form of photography and television is eating our lives. Music previously was confined only to the vocal singing. Now science and technology made the music widespread at a cheaper price. These are the lures of Satan. We have to be on guard against these harami things. SCIENCE AND TECHNOLOGY ARE BAD FOR CIVILIZATION Hence, more science and technology is bad for the civilization. I had completed civil engineering. Hence I am privy to scientific knowledge. I can tell you how corrupting that is. It even makes you question the glorious Quran. EARTH IS FLAT There are many Hadiths, which say that the earth is flat. But any science will tell you the earth is a sphere. But you can use the same science like the relativity theory to prove that the earth is flat. It is the same case with evolution. But the point being that doubt is sown in the minds of the people on the validity of the Quran as the word of God. More and more we work hard to prove the Quran's scientific correctness, more and more people will get apprehensive of the truth of the Quran. This is an abomination. WHEN ISLAM TALKS OF GET EDUCATED IT MEANS QURANIC EDUCATION This is why when we talk of education, we talk of religious education and not scientific education. It is true that science grew after the Prophet's revolution in Arabia. That was the start of science. Now each and every science is filled with anti-god stuff. If you want to become a doctor, you have to read evolution. If you have to read any engineering, you have to believe in the billions of years old universe theory which effectively says that human beings came to the world only just one or two million years back. Q: But we still need the arms and knowledge of the Western world, which believes in science. And again you had referred to television as evil. If we abolish photography how can we have passports or identification cards? A: Yes. That is strategic. With the help of Allah, we will be given oil for them to run their cars and we will have arms in that place. We will use their arms to destroy them in the course of time. PHOTOGRAPHY WILL BE BANNED UNDER JI As far as photos are concerned, they will be banned as it was done in Afghanistan under Taliban. If there is no need for people to go out of Pakistan, where is the need for the passports? For those who have to travel to other countries like the leaders of the revolution, they only will be given the passport with photos. For that, we will allow limited photography licensed only to the government. And the biggest corruption in today's Pakistan is Indian satellite TV and Indian cinemas and Indian songs. We have to abolish these ARABIC WILL BE MADE OFFICIAL LANGUAGE OF PAKISTAN Q: Currently we have a lot of opposition from Mohajirs regarding reservations. What kind of reservation policy will the JI will have in Pakistan? A: We approach that problem as the problem of language. Urdu-speaking Muslims and Sindhispeaking Muslims are fighting now. We plan to abolish all the regional languages like Pashto, Sindhi, Baluchi, Urdu, Punjabi and Brahvi. We want all

the people of Pakistan to speak Arabic which is our divine language. This will make everyone equal before everyone else and there would not be any need for language or region based reservations. We also hope that this will make the Quran and Hadiths easier to understand and will make the people follow the Quran and Hadiths to the letter. Q: There could be language riots. One such language riot resulted in Bangladesh. A: Bangladesh was not a result of language riot. The very idea that they are Muslims will bring the Bangladeshis to Arabic. We already fund heavily the Arabic language courses all over India, Bangladesh and Pakistan. From Morocco to Iraq speaks in Arabic, I don't see any reason why from Morocco to Burma we will not bring Arabic to the people. Even Bangladesh will start speaking in Arabic. That time there won't be any Bangladesh where the country name itself has the name of the language. Yes, Right now our aim is just for reunification without touching on the language issue of Bengali. Jl of Bangladesh is working towards this aim. Q: The secular journalists of Pakistan oppose the Jl. For example the Dawn and News are very critical of the Jl. How do you see their role in the future? A: Ardheshir Cowasjee is able to work only because of the present Constitution of Pakistan. When Sharia becomes the Constitution, he cannot even approach the court, as he is a kafir. We see secular journalists as our main enemy in the current struggle to reach power. These secular journalists are digging our statements we made during the pre-Independence days and trying to beat us. Of course we opposed the creation of Pakistan during the British times. But that was a different Jamaat. Our history starts with Independence. SECULARS ARE KAFIRS Secular journalists are not Muslims even though some of them are carrying Muslim names. Let them come to us and let us ask questions on the Quran and Hadiths. We will prove each and every thing we say is from Quran and Hadiths. Let them prove what we say as wrong from the Quranic angle. Then we will accept them. But they cannot. They cannot match us in any debate concerning the Quran and Hadiths. We can comprehensively prove that they are indeed non-Muslims.! They are like Quadianis who say that the Muslim need not take up Jihad as an obligation. That is pure nonsense. Collapse this post

Lt Col Prasad Shrikant Purohit is a key player in the narrative of Hindutva terror. Believed to be the man at the heart of the extremist Hindu militia Abhinav Bharat, he was arrested by the Maharashtra Anti-Terror Squad (ATS) on November 5, 2008, for his role in the Malegaon blast on September 29 that year. On April 13, 2009, the Indian army instituted a court of inquiry (COI) against Purohit and four other army personnel and he was found innocent of all the charges. This, even as a national investigation into saffron terror continues and a criminal case is pending in a special MCOCA court in Mumbai.

The army's inquiry having come to an end, the board of officers, comprising three senior army personnel—a brigadier and two colonels—has forwarded its findings to the Southern Command. Close to 60 officers were examined as witnesses over a period of 37 months. Outlook has gained exclusive access to the testimonies of all the witnesses. These reveal that Purohit will in all likelihood be held guilty for his association with organisations not recognised under the army. However, he may very well get a clean chit as far as being involved in activity that could be termed "terrorist" or "anti-national". This internal inquiry is unlikely to be made public.

Besides Purohit, the COI was convened to look into charges against four other personnel: Lt CoI B.P. Dhar, Captain Sood, Major D.P. Sudhir and Subedar Pawar. All of them were linked to Purohit, though he remains the only one behind bars. The terms of reference set for the inquiry were primarily to establish the veracity of six allegations, most of which can be covered under what is known as "dereliction of duty" in army parlance. Purohit has been proceeded against for the following:

For reportedly proceeding on leave or temporary duty without approval from his seniors, thereby absenting himself from duty

For allegedly being a member of Abhinav Bharat, an organisation not recognised by the armed forces of the Union

For the illegal sale of a non-service pattern weapon

For having initiated procedures to get bulletproof jackets, debugging equipment and mini bug detectors for personal gains using his official position

For allegedly swapping ammunition from the army For allegedly being involved in illegal or undesirable terrorist activity. The last ground for investigating Purohit would suggest the army is also looking into the Malegaon blast case. In reality, however, the force is looking only into his antecedents. As Rohini Salian, special public prosecutor of NIA, says, "The army inquiry has no bearing on the case before the special judge. These are two completely different investigations done by two completely different agencies." None of the 60 witnesses before the COI, Outlook has learnt, has corroborated the charge of Purohit being a terrorist. Several witnesses have instead used epithets like "motivated officer" and "good field operator" for him. His peers too reportedly describe him as an officer who could cultivate sources with ease. Sudhakar Chaturvedi was one such source he was cultivating, according to the argument being presented; it was he who led him to Abhinav Bharat. This version is at odds with the ATS's allegation of Purohit being Abhinav Bharat's leader. In the picture that emerges from the COI testimonies, Sudhakar, currently an accused in the case, worked for Abhinav Bharat and kept feeding Purohit inputs on the right-wing group's movements during the latter's tenure as an intelligence officer of the Deolali unit in Maharashtra. Gradually, he became a key source and shortcut for Purohit to infiltrate rightwing groups. After Purohit was posted to Pachmarhi in Madhya Pradesh, he handed over the "source" to his unit, handled for a short while by the now retired Subedar Pawar. Maharaja Hari Singh though a thorough and devout Hindu behaved cowardly by closing eyes not to see Muslim designs and barbarity as did Nehru consortium. His 'My religion is Justice' remained hanging in the air. Nehru took advantage of Pakistani invasion for revenge on the Maharaja and got rid of him and brought Sheikh Abdulla, who passed on the territory to be governed, nay ruled by his son Farrukh who in turn to his son Omar. Maharaja failed himself, had to succumb to injustices and he failed the Hindus. His justice theory: 'my religion is justice' did not help him. Hindu persecution ensued in his state which went to be ruled by his arch rivals Seikh Abdulla and Gulam Bakhshi at the instance of Nehru who made that a bargaining chip to Maharaja for help against Pakistani invasion. Maharaja Hari Singh died and his Religion hangs no one knows where. But Justice was not his religion. He could not do justice to what he himself was, a Hindu and to Hindutva of which Justice is an attribute. No single virtue or together with any other(s) of Hinduism like Justice or humanity or love or service could save Bharat, its thousands of temples and people(s) for 12 centuries from Muslim barbarity except clarion call of Hindu heroes, heroines, Johars, Hindu bravery and sainanis. In effect Advocate Bim Singh is degrading Maharaja Hari Singh confining him to Justice alone (by making it his religion) and showing his alienation, this way, from Hindutva. We HIndus must learn to say we are Hindus and because this is so humanity is safe. We attack no one, proselytize no one, practice no barbarity on others, did not conquer a single nation, gave protection and accomodated all. But we, the Hindus could not understand ourselves. At most we could adore some of virtues of Hinditva as Maharaja Hari Singh adored Justice. Justice in Sanskrit is NAYAYA. It is one of the six philosopohies of life. Maharashi Gautam and many other vedantists proclaimed it. It is strange that learned Bhim Singh could not see injustice being done to Maharaia Hari Singh, His son Karan Singh who is a Phd from Delhi University, now an elderly man like me did not join Hindu forces simply because they did not get proud of them though might have learned well. Karan Singh is a learned man but is waging tail for favours to keep company with people who had and are systematically destroying Hinduism and Bharat. He has become a cog in the machine that could not make even 'India that is Bharat'. Learned Bhim Singh surprises when he equates article 370 of the Indian constitution to Maharajas's 1927 Royal decree about 'state subjects'. I wonder why he is not able to recall Jammu and Kashmir ANDOLAN (movement) against this article: EIK DESH MEIN DO VIDHAN, DO PRADHAN, DO NISHAN NAHI CHALENGE, NAHIN CHALOENGE - (no two flags, no two constitution, no two heads) by Jan Sangh (as BJP was called then) half a century ago wherein its great leader and one of the greatest son of Bharat Mata Shyama Prashad Mukherjee sacrificed himself for the territorial integrity of Baharat as happened to Lal Bahadur Sashtri reaching Tashkent at the southern tip of Russia whose conscience rebelled over signing the territory pact that favoured Pakistan under pressure from Russia. I (the writer of this critique) happened to have participated in the activities of the movement as I was in Delhi Then. National Panther Party

Hindu glory rather than making us aware of his (Maharaja,s) follies, should become sainanis and challenge all that brought degradation to Bharat. Stop the company you keep now, that of fake secularists, for comforts gulping injustices. Gandhigiri type of conduct will make that sore bleed. Even if it takes him births and births, understand Hindutva only will be able to evoke justice. The learned Bhim Singh must have to see that the National Integration Commission of which he is a member is another device made by the present sell out secularists as against Bharat and Hindutva. They must see: no justice sans bharat and its Hindu Sanskriti (civilisation). I do not know much of Shri Yuvraj Karan Singh but he become a big secularist under the congress type umbrella and Ghandhi Nehru type JUGAAD (technique or Bhanumati ka Kunba). But he must rise up for he has virtuous blood and Sanskriti in him. It is not great of Bhim Singh to state what maharaja said: 'Our future lies with India', because it is where the future of India's populace lie. So much simple. It would be great of him when he works by means of his integration council to integrate those to Bharat who crave Was it not a folly on the part of Maharaja to sign a 'no war disintegration. pact' with Jinnah on August 16, 1947 as was with Nehru to sign Panchsheel pact with China? Mere signatures on piece of papers. Let us leave Nehru alone for much more condemnation awaits him. But is Advocate Bhim Singh stating that Hari Singh was unable to see cunning in Jinnah or that Hari Singh really trusted Jinnah? Stop feigning. Do Integration. Do no injustice to your self. Yuvraj, you now an old Karan Singh disalign yourself with fake secularists. Cannot you see the extent to which you are eliminated in the context of J&K. You have become a total non entity pertaining to J&K. Scholar as you are must not take time to understand and declare as millions in and of RSS do as Dr Swami Subramanian do that no system is secular as is Hinduism and is secular to perfection. You still matter. Try to reach to where you belong: Hinduism. Your father, Maharaja Hari Singh was a great Hindu ruler but failed ruling Muslim populated state, politically and also failed integration of J&K to where the state belongs, to Bharat. Yuvraj be a SADHAK and ponder over the causes and Muslim raids over 1200 years via the KHYBER PASS that turned J&K and parts of India into the Muslim populated territories. The place you were born is a Pavitra Bhumi (sacred land) where SHANKRA had to reach for ATMOTSARG. JUSTICE sans Hinduism could not save Maharaja, J&K and even the Muslims who having driven Hindus out, have no one else to kill than each other. No more the Maharaja, : IS, but his greatness shall be reminded more and more in his felicitating Hindu pilgrims YATRAS and very many work that brought happiness to people of J&K and glory to Him. MUHAMMAD DIES DURING SEX WITH AISHA SUCKING HER BREAST Mohamed's mental state and all have agreed that his symptoms were the same as those of someone who is likely to have done drug abuse. M's own records of his childhood symptoms such as hearing voices of his ancestors etc. are exact syptoms of taking some breed of Datura. It was widely used in ancient times for practically all things in life from puberty rites to disciplining wayward children. An expert shaman or witchdoctor would know exactly which Brugmansia to use to what extent and to produce which particular results. If you see below one of the Sanskrit names for Datura is Mahamohi. Since M's real name is not known it is perhaps the fact that he and probably also his followers indulged in Datura that he got this name. Which is probably why out of spite he insisted that all Muslims should name atleast one kid Mohamed. It is same as someone who is always drunk gets the nickname 'bewda' (slang for drunkard in Mumbai) and then is stuck with it and is known by it. Muhammad Dies During Sex With Aisha Sucking Her Breast This is one amazing hilarious fact that your Ulamas will never tell you. Muhammad dies while having sex with Aisha. Did he die during foreplay or > while humping 18 year old Aisha? From the Hadith below, we know that he french kissed Aisha by sucking her saliva, and later he met his final destination while sucking Aisha's big breast. Probably he had a heart attack. You know, old man having sex with young girl. Young girl played rough during sex and dirty old man's heart couldn't handle it. Can you see how this dirty old man was acting like a spoiled brat? This hypocrite munafiq commanded you Muslims to be fair to all of your four wives, but he himself could not be fair to his own wives. If he wanted to sleep with Aisha instead of his other wives, why don't he say so? Why must he ask "Where shall i stay tomorrow? Where shall i stay tomorrow?"

Did Muhammad manage to say "La llaha Illa Allah?" Is there any Hadith to support this? If he did not managed to say "La llaha Illa Allah" then probably other Muslims who died after saying "La llaha Illa Allah" died a better death than Muhammad. From the Hadith below, it seems that Muhammad did not manage to say "La llaha Illa Allah." Probably he died an atheist saying "La llaha" (There is no god). The most evil man in history finally died on June 8, 632 C.E. in Madinah. That explains why he was buried in the room of Aisha. Sahih Bukhari, Volume 7, Book 62, Number 144: Narrated 'Aisha: that during his fatal ailment, Allah's Apostle, used to ask his wives, "Where shall I stay tomorrow? Where shall I stay tomorrow?" He was looking forward to Aisha's turn. So all his wives allowed him to stay where he wished, and he stayed at 'Aisha's house till he died there. 'Aisha added: He died on the day of my usual turn at my house. Allah took him unto Him while his head was between my chest and my neck and his saliva was mixed with my saliva. I wonder whether they managed to get rid of Muhammad's rigor mortis hard-on which is sticking straight up in the air and if they don't do something, it will look odd at the funeral. That could explain the reason why they waited for 2 days to bury Muhammad. That also explains why he was buried in the room of Aisha.

Sahih Bukhari, Volume 1, Book 6, Number 299: Narrated `Abdur-Rahman bin Al-Aswad: (on the authority of his father) `Aisha said: "Whenever Allah's Apostle wanted to fondle anyone of us during her periods (menses), he used to order her to put on an Izar and start fondling her." `Aisha added, "None of you could control his sexual desires as the Prophet could." Sahih Bukhari, Volume 7, Book 62, Number 6: Narrated Anas: The Prophet I used to go round (have sexual relations with) all his wives in

one night, and he had nine wives. From Ibn Hisham page 682: that he heard Aisha [one of Muhammad's wives] say: "The apostle died in my bosom during my turn: [the night Muhammad was to spend sleeping with her] I had wronged none in regard to him. It was due to my ignorance and extreme youth that the apostle died in my arms."

Taka 643.55 crore to propagate Islam through Digital Quran site for converting Hindu-Bhuddhist-Christian Minorities in Bangladesh. Pakistani Hindus arrive India with horror tales.

Posted by hinduexistence on August 11, 2012

Under the policy of Pan Islamism, Bangladesh Prime Minister Sheikh Hasina lunched 'Quran Digital site' to propagate Islam and to convert Non Muslim Minorities in Bangladesh.

~ Upananda Brahmachari.

Opening of Digitalised Quran Site (www.quran.gov.bd) by Fundamental BD Prime Minister.

Dhaka | Aug 10, 2012 — Now the pro Islamic attitude of BD Prime Minister is exposed enough. The Prime Minister of Bangladesh and the Awami League Supremo, Sheikh Hasina on Friday asked Muslims in Bangladesh to follow the life of Muhammad and encourage people from other religions to convert tol-s-la-m

"We want to let everyone know about Islam. We all should try to get others drawn to taking to Islam," the Prime Minister of Bangladesh said this while launching the website "Al Quran: Digital" at a function at Osmani Memorial auditorium here today.

She hoped the message of peace in Islam would reach the people in all levels of society 'very easily' through this initiative of the Ministry of Religious Affairs. Hasina said, "We want to reach the message of peace of Islam to people as we always hope that the aim of the teachings of the Holy Quran will be achieved." "We need to do our duties to the people understanding the essence of Islam. I want to continue work for human welfare following the path shown by Prophet Muhammad."

In the backdrop of a 14-year-old Hindu girl's abduction in Pakistan's Jacobabad city in Sindh province three days ago, a controversy erupted when a delegation of 150 Hindus was detained by Islamabad for seven hours on Friday before being allowed to enter India for a pilgrimage. Head of the delegation Anup Kumar said they were supposed to cross over to India in the afternoon, but their arrival was delayed because the Pakistani authorities were apprehensive that they may not return due to the law and order problems in the southern province of Sindh, where most of Pakistan's estimated seven million Hindus live. . PLEASE JUDGE FOR YOURSELF IN WHAT LEVEL OF SPIRITUALITY THE WORLD'S ONLY RELIGION OF PEACE EXISTS IN RELATION TO THEIR SAVIOUR.

AND READ THE MAIN NEWS ABOUT HOW BANGLADESH IS HELPING THE SAUDIS IN SPREADING THIS RELIGION OF PEACE WORLDWIDE.

Some lustful verses from the Qur'an:

Allah managed to hand down quite a few "revelations" that sanctioned Muhammad's personal pursuit of sex to the doubters around him. Interestingly they have become part of the eternal, infallible word of the Qur'an, to be

memorized by generations of Muslims for whom they have no possible relevance

Qur'an (33:37) - "But when Zaid had accomplished his want of her, We gave her to you as a wife, so that there should be no difficulty for the believers in respect of the wives of their adopted sons, when they have accomplished their want of them; and Allah's command shall be performed."

No doubt millions of young Muslims, trying to outdo one another at memorizing the Qur'an, have wondered about what this verse means and why it is there. In fact, this is a "revelation" of convenience that Allah just happened to hand down at a time when Muhammad lusted after his daughter-in-law (wife of his adopted son Zaid), Zaynab, - a state of affairs that disturbed local customs. The verse "commands" Muhammad to marry the woman (following her husband's gracious divorce). As for why this should be part of the eternal word of God...?

Qur'an (33:50) - "O Prophet! surely We have made lawful to you your wives whom you have given their dowries, and those whom your right hand possesses out of those whom Allah has given to you as prisoners of war, and the daughters of your paternal uncles and the daughters of your paternal aunts, and the daughters of your maternal uncles and the daughters of your maternal aunts who fled with you; and a believing woman if she gave herself to the Prophet, if the Prophet desired to marry her— specially for you, not for the (rest of) believers; We know what We have ordained for them concerning their wives and those whom their right hands possess in order that no blame may attach to you;

This is another special command that Muhammad handed down to himself that allows virtually unlimited sex, divinely sanctioned by Allah. One assumes that this "revelation" was meant to assuage some sort of disgruntlement in the community over Muhammad's hedonism.

Qur'an (33:51) - "You may put off whom you please of them, and you may take to you whom you please, and whom you desire of those whom you had separated provisionally; no blame attaches to you; this is most proper, so that their eyes may be cool and they may not grieve, and that they should be pleased"

This is in reference to a situation in which Muhammad's wives were grumbling about his preference for sleeping with a slave girl (Mary the Copt) instead of them. Accordingly, Muhammad may sleep with whichever wife (or slave) he wishes without having to hear the others complain... as revealed in Allah's literal and perfect words to more than a billion Muslims.

Qur'an (66:1-5) - "O Prophet! Why ban thou that which Allah hath made lawful for thee, seeking to please thy wives?..."

Another remarkable verse of sexual convenience concerns an episode in which Muhammad's wives were jealous of the attention that he was giving to a Christian slave girl. But, as he pointed out to them, to neglect the sexual availability of his slaves was against Allah's will for him!

Qur'an (4:24) - "And all married women (are forbidden unto you) save those (captives) whom your right hands possess."

Allah even permitted Muhammad and his men to have sex with married slaves, such as those captured in battle.

Al Qaeda said the deadly attack on the US consulate in Benghazi Libya was in revenge for the killing of the network's number two Sheikh Abu Yahya al-Libi, SITE Intelligence Group reported Saturday. "The killing of Sheikh Abu Yahya only increased the enthusiasm and determination of the sons of (Libyan independence hero) Omar al-Mokhtar to take revenge upon those who attack our Prophet." Al-Qaeda in the Arabian Peninsula said in a statement, guoted by the US-based monitoring group. Al-Qaeda's Yemen-based offshoot did not claim direct responsibility for Tuesday's attack on the US consulate in Benghazi that killed the US ambassador to Libya, Christopher Stevens, and three other Americans. But it stressed that "the uprising of our people in Libya, Egypt and Yemen against America and its embassies is a sign to notify the United States that its war is not directed against groups and organisations ... but against the Islamic nation that has rebelled against injustice." The statement comes four days after Al-Qaeda chief Ayman al-Zawahiri issued a video eulogising Libi, his late deputy and propaganda chief who was killed in a drone strike in June. Mohammed al-Megaryef, the head of Libya's national assembly, said on Saturday that the attack on the US consulate in Benghazi was planned and

"meticulously executed." Tuesday's attack by armed men in the eastern city of Benghazi came amid a wave of protests in the Muslim world against a US-made amateur Internet film deemed insulting to the Prophet Mohammed. Suspected Islamic militants fired on the consulate with rocket-propelled grenades and set it ablaze on the anniversary of the September 11, 2001 terror attacks on the United States claimed by Al-Qaeda. Sensitive documents have gone missing from the consulate in Benghazi and the supposedly secret location of the "safe house" in the city, where the staff had retreated, came under sustained mortar attack. Other such refuges across the country are no longer deemed "safe". Some of the missing papers from the consulate are said to list names of Libyans who are working with Americans, putting them potentially at risk from extremist groups, while some of the other documents are said to relate to oil contracts. According to senior diplomatic sources, the US State Department had credible information 48 hours before mobs charged the consulate in Benghazi, and the embassy in Cairo, that American missions may be targeted, but no warnings were given for diplomats to go on high alert and "lockdown", under which movement is severely restricted. Mr Stevens had been on a visit to Germany. Austria and Sweden and had just returned to Libva when the Benghazi trip took place with the US embassy's security staff deciding that the trip could be undertaken safely. Fight Americans, some from the military, were wounded in the attack which claimed the lives of Mr Stevens, Sean Smith, an information officer, and two US Marines. All staff from Benghazi have now been moved to the capital, Tripoli, and those whose work is deemed to be nonessential may be flown out of Libya. In the meantime a Marine Corps FAST Anti-Terrorism Reaction Team has already arrived in the country from a base in Spain and other personnel are believed to be on the way. Additional units have been put on standby to move to other states where their presence may be needed in the outbreak of anti-American fury triggered by publicity about a film which demeaned the Prophet Mohamed

Lt Col Prasad Shrikant Purohit is a key player in the narrative of Hindutva terror. Believed to be the man at the heart of the extremist Hindu militia Abhinav Bharat, he was arrested by the Maharashtra Anti-Terror Squad (ATS) on November 5, 2008, for his role in the Malegaon blast on September 29 that year. On April 13, 2009, the Indian army instituted a court of inquiry (COI) against Purohit and four other army personnel and he was found innocent of all the charges. This, even as a national investigation into saffron terror continues and a criminal case is pending in a special MCOCA court in Mumbai.

The army's inquiry having come to an end, the board of officers, comprising three senior army personnel—a brigadier and two colonels—has forwarded its findings to the Southern Command. Close to 60 officers were examined as witnesses over a period of 37 months. Outlook has gained exclusive access to the testimonies of all the witnesses. These reveal that Purohit will in all likelihood be held quilty for his association with organisations not recognised under the army. However, he may very well get a clean chit as far as being involved in activity that could be termed "terrorist" or "anti-national". This internal inquiry is unlikely to be made public.

Besides Purohit, the COI was convened to look into charges against four other personnel: Lt Col B.P. Dhar, Captain Sood, Major D.P. Sudhir and Subedar Pawar. All of them were linked to Purohit, though he remains the only one behind bars. The terms of reference set for the inquiry were primarily to establish the veracity of six allegations, most of which can be covered under what is known as "dereliction of duty" in army parlance. Purohit has been proceeded against for the following:

For reportedly proceeding on leave or temporary duty without approval from his seniors, thereby absenting himself from duty

For allegedly being a member of Abhinav Bharat, an organisation not recognised by the armed forces of the Union

For the illegal sale of a non-service pattern weapon

For having initiated procedures to get bulletproof jackets, debugging equipment and mini bug detectors for personal gains using his official position

For allegedly swapping ammunition from the army

For allegedly being involved in illegal or undesirable terrorist activity.

The last ground for investigating Purohit would suggest the army is also looking into the Malegaon blast case. In reality, however, the force is looking only into his antecedents. As Rohini Salian, special public prosecutor of NIA, says, "The army inquiry has no bearing on the case before the special judge. These are two completely different investigations done by two completely different agencies." None of the 60 witnesses before the COI, Outlook has learnt, has corroborated the charge of Purohit being a terrorist. Several witnesses have instead used

epithets like "motivated officer" and "good field operator" for him. His peers too reportedly describe him as an officer who could cultivate sources with ease. Sudhakar Chaturvedi was one such source he was cultivating, according to the argument being presented; it was he who led him to Abhinav Bharat. This version is at odds with the ATS's allegation of Purohit being Abhinav Bharat's leader. In the picture that emerges from the COI testimonies, Sudhakar, currently an accused in the case, worked for Abhinav Bharat and kept feeding Purohit inputs on the right-wing group's movements during the latter's tenure as an intelligence officer of the Deolali unit in Maharashtra. Gradually, he became a key source and shortcut for Purohit to infiltrate right-wing groups. After Purohit was posted to Pachmarhi in Madhya Pradesh, he handed over the "source" to his unit, handled for a short while by the now retired Subedar Pawar.

Last month, in the Ramu area of the People's Republic of Bangladesh (PRB), a large crowd of the majority religionists destroyed 24 Buddhist and Hindu temples. The crowd included many functionaries of three major political groups – Awami League, BNP and Jamaat-e-Islami. Thus, it was not simply a Rohingya response to the Buddhist-on-Muslim oppression in Burma.

When British India was partitioned amidst massive violence, the conception of mutually assured security – that minorities would be safe because attacks on them would risk retribution by their majority co-religionists elsewhere — was blown to smithereens. Macabre minority-less zones were created in vast stretches of the Punjab, Sindh and Rajputana. In Bengal, the story was different. Except events in Kolkata, Noakhali and Barisal, mass-blood letting was not as prominent as feature as it was in the west. But there was migration of epic proportions – with more Hindus moving into the Indian Union than Muslims moving to Pakistan. This, in part, indicated the difference in security and threat-perception of minorities. The migration of persecuted minorities from East to West Bengal still continues. East Bengal (as East Pakistan and later PRB) has recorded a continuous decade on decade decrease in the percentage of its Hindu and Buddhist minority population since 1951 – a matter of no small shame.

This is especially tragic because the Liberation war of 1971 was also believed by many to be a triumph of secularist forces against the forces of religion-based politics. Valiant people like the famous Shahriar Kabir and the lesser known Shamim Osman Bhulu, both belonging to the majority community of East Bengal, have often risked their own lives to protect the minorities and uphold the values of '71. But they are powerless in front of a crowd of 25,000, a constitution that discriminates and a state that is apathetic to the plight of the minorities, at

The large-scale anti-minority riots of 1950 in East Bengal partly prompted the Indian government to develop a framework that would safety and security to minorities in Pakistan and India. The resulting Nehru-Liaquat pact remained only in paper. Later in 1970-71, tens of millions of refugees, mostly of minority religions, arrived in West Bengal and Tripura to escape selective extermination in East Pakistan. The famous Ramna Kali temple that dominated the skyline of Dhaka then was bull-dozed to the ground by the Pakistan army. Lamentations notwithstanding, successive governments of Bangladesh, secular or not, elected or dictatorial, have not rebuilt it.

However, the worst point of minority persecution comes through the destruction of their economic means and homestead. Painstaking research by Professor Abu Barkat of Dhaka University has shown that as of 1997, through various version sof the Enemy Property Act, 53% of the land owned by Hindus has been forcibly taken over, most of it between 1972 and 1980. This has affected 4 out of every 10 Hindu households. The largest beneficiary of these illegally dispossessed lands were those affiliated to the 'secular' party Awami League, followed by BNP and Jamaat-e-Islami.

The subcontinent is a tinderbox that is never too far from explosion. What happens in one nation exacts a heavy price in another. The destruction of the Babri mosque in Ayodhya and the anti-Muslim rioting in Mumbai led to anti-Hindu riots in Bangladesh with many temples destroyed. Mutually-assured protection has degenerated into mutually-assured violence prevention in these times. That is why, when one sees the perpetrators of anti-Muslim rioting in India shedding copious tears about the state of minorities in the Republic of Bangladesh, it is important to call out their dangerous game of cynical and selective concern for minority rights.

The solutions to peace do not reside in any one nation of the subcontinent. By trying to ensure that all the butchers of Gujarat 2002 and Mumbai 1992 are prosecuted to the last man and woman, one gains the moral right to condemn the brutalization of minorities in the Republic of Bangladesh. Certain followers of Ram want the Ramna rebuilt and Ramu violence condemned, while maintaining silence on the rubble at Ayodhya. This silence needs to be exposed and broken. The many big and small Shahriar Kabirs and Shamim Osman Bhulu's of East Bengal want us to break the silence.

INFILTRATORS ENTERING, USURPING THE CHILDRE OF THE SOIL AND
MURDERING THEM

IN USA , WHERE THE MEDIA IS FREE , YET EVEN THE ETHNIC INDIAN MEDIA -  $\,$ 

THE TV AND WEEKLIES ALWAYS CENSOR THE PERSECUTION , RAPE AND MURDER ON

HINDUS. SAME MEDIA WILL BLARE EVEN A SMALL RETALIATION BY HINDU. FACE IT, HINDU.-

THIS IS YOUR OWN MEDIA - RUN BY HINDUS . THEY ARE AFRAID TO TELL THE TRUTH. JUST AFRAID OF LIFE. JUST COWARDS ? OR APPEASERS AS WELL

OR WHY THEY DO NOT MISS A SINGLE INCIDENCE WHEN HINDUS ERR. THE WORLD MEDIA IS ABRAHAMIC . THEY AT BEST TOLERATE HINDUS, WHOM THEY MOSTLY CONSIDER AS "PAGAN".

Last month, in the Ramu area of the People's Republic of Bangladesh (PRB), a large crowd of the majority religionists destroyed 24 Buddhist and Hindu temples. The crowd included many functionaries of three major political groups - Awami League, BNP and Jamaat-e-Islami. Thus, it was not simply a Rohingya response to the Buddhist-on-Muslim oppression in Burma.

When British India was partitioned amidst...

The intention of Founding Fathers of the Constitution of India was not to create any privilege to minority religious community while introducing Articles 29 and 30 of the Constitution of India. This was just a protection given to minorities due to meagre population and strength treating such religious groups as nondominant groups/communities. Constituent Assembly has categorised these non-dominant...
