

Gig Werks SharePoint Quick Start Offer

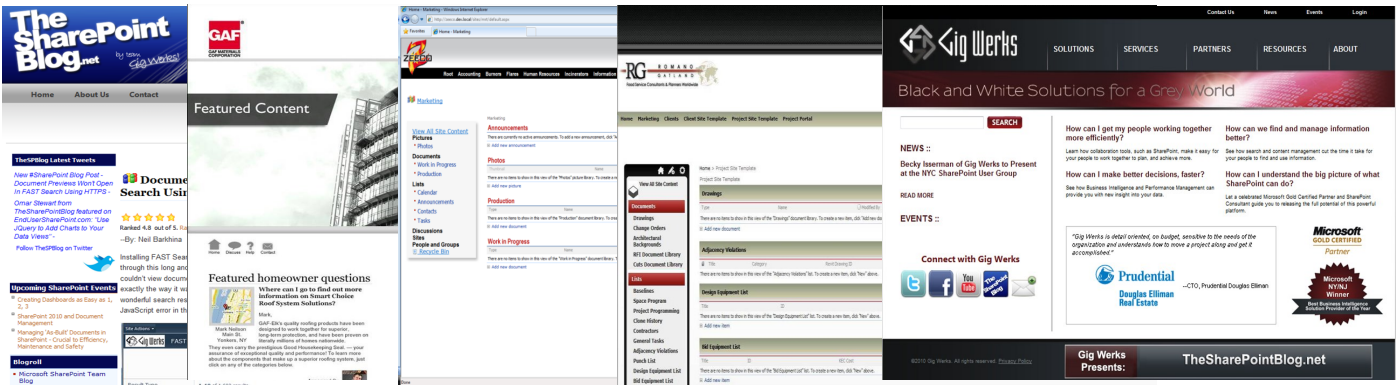

Quick Start Offer: Brand your SharePoint Site (Intranet, Extranet, or Internet)

Time Frame: 3-10 Business Days (Depending on Site)

Cost: \$4,680 - \$15,600

SharePoint Planning Services Vouchers can also be used for payment

Offer Description

Escape from the “out of the box” Microsoft blue and bring your companies brand to your SharePoint Deployment – Internet, Intranet or Extranet.

Using your corporate style guide, Photoshop file or even from your existing public facing website Gig Werks will bring your companies look and feel to your users.

Gig Werks will create and provide for your SharePoint team, a new master page, to allow you to put your company’s best foot forward.

Engagement parameters

- Intranet skinning can typically be achieved in 3-5 business days
- Internet and Extranet skinning can typically be achieved in 10 business days

Assumptions

- Corporate style guides and related images and assets supplied by client
- Content to be provided and deployed by client
- Based on Gig Werks design
- Additional refinements and request by the client are outside the scope of this engagement
