KNOWLEDGE WORKER COMPONENTS

## SharePoint Quick Previewer

**With SharePoint Quick Previewer you can quickly view and find content in documents without having to download them.**

Even if you're working from a remote location, having a slow network connection, or using your mobile device with an expensive data plan while roaming, you can still view large documents **quickly in just a few seconds!**

### Why SharePoint Quick Previewer?

- ✓ Just a few seconds to view a document
- ✓ Works with any browser
- ✓ Hundreds of supported file types
- ✓ No client installation needed on end-users' devices
- ✓ Dramatically reduce network consumption
- ✓ Quickly preview documents using your tablet while on the go
- ✓ Pre-cache technology enables you to preview **VERY** large documents in amazingly fast response time!
