USER GROUP SUPPORT SERVICES

MOVING FORWARD TOGETHER

SUPPORTING USER GROUPS WORLDWIDE IN PARTNERSHIP WITH CULMINIS, INETA AND PASS

Get Your Group **Moving!**

As a Community Leader you know what you need:

- ◆ Extra money for your events
- ◆ People at your meetings
- ◆ Something to talk about**!**

We can get you there!

REGISTER NOW on **UGSS.CODEZONE.COM** to

➔ Get **Extra $ for Your Events!**

Microsoft, in partnership with Culminis, INETA and PASS now offers funding for your next community-led event! Whether it's a monthly user group meeting, a product launch event, or a code camp – whatever the format invite UGSS!

➔ Get **People at Your Events!**

We know that in order for an event to be successful, you've got to have people there! **Add your events to our Global Events Calendar and gain publicity for your events worldwide.** This calendar is synced with other community calendars such as the Community Megaphone, and calendars on INETA and Culminis organizational websites.

➔ Get **Great Stuff to Show!**

We know that you are busy. You work hard, you are a dedicated community leader. Who has time to create content for each event? Take advantage of our services for your next meeting and we can provide the content! Our content library is growing... check in monthly to see what's new!

If you need something specific, please let us know!
